

SERVICE MANUAL

DAIHATSU TYPE K3 ENGINE

FOREWORD

This manual is a version supplemental to the Service Manual Type K3 Engine.

The newly-develop Model M200 series, whose are mounted the Type EJ engine and Type K3 engine, have been carried out from DAIHATSU.

This time, the Type K3-VE engine has been partly modified.

In line with this, we have here published the revision 2, in which the sections that have been changed are posted on following page.

As for sections and items that will not appear in this revision 2, please refer to following service manuals given below.

Publication Name	Publication Code	Issuance Date
K3 Engine Service Manual	9737	May, 2000
K3 Engine Service Manual revision 1	9232	Sep., 2000

All information used in this service manual was in effect at the time when the manual was printed. However, the specifications and procedures may be revised owing to continuing improvements in the design without advance notice and without incurring any obligation to us.

Revision 2 : Sep. 2000
