Subject: LR3 KIT – DVD REAR ENTERTAINMENT SYSTEM

We now have supply on the LR3 DVD system. See part number details below. It is necessary to order both the installation kit and the screen separately. Both are required for installation. The installation kit is currently in limited supply; however Land Rover is working with the supplier to improve availability. The spare parts noted below are not yet in stock but should be within the next 30 days.

PRODUCT CATEGORY	PART NUMBER	LR3 KIT DESCRIPTION	INSTALLATION TIME	US Dealer \$	US MSRP \$	Canada Dealer \$	Canada MSRP \$
